AUSY announces consolidated turnover of €31.7 million for Q3 2008, up 16.0% on the €27.3 million posted in Q3 2007. The sharp growth was wholly organic.

Sales in France (93% of the Group's total) remain sustained, up 15.8% over this quarter. Turnover thus amounted to €29.6 million compared to €25.5 million the previous year.

Growth in Belgium and Luxembourg was also strong (+19.5% in Q3), posting turnover of €2.2 million compared to €1.8 million the previous year.

Over the first nine months of the year, Group turnover amounted to €101.5 million, up 35.6% on the €74.9 million posted in 2007. On a like-for-like basis, growth amounted to 21%, representing consolidated turnover of €90.6 million compared to €74.9 million in 2007.

The AUSY Group hereby confirms its commercial strength and importance to the strategic plans of major buyers.

Against an uncertain economic background, AUSY maintains its goal of outperforming its market.

About AUSY

AUSY (ISIN Code: FR0000072621, ticker: OSI) is one of the leading French companies in the field of advanced technologies consulting. Its range of services is built around two areas of expertise: management and organisation of Information Systems and outsourced R&D and industrial systems.

The company is classed as an "Innovative Company" by OSEO ANVAR and listed on Euronext Paris Eurolist C. More detailed information can be found on the Company's website: www.ausy.fr
